PROFESSIONAL EXPERIENCE

Barista — Fahrenheit Cafe (F-Mart Boutique Supermarket)

Jan 2026 – Present

Pearl-Qatar, Porto Arabia, Doha, Qatar

- Prepare and serve a full range of hot and cold espresso-based beverages to a diverse, upscale clientele at a busy in-store coffee counter.
- Maintain consistent drink quality and presentation while managing high customer footfall during peak retail hours.
- Operate and clean espresso machines, grinders, and brewing equipment daily in line with food safety standards.
- Handle point-of-sale transactions accurately, including cash, card, and mobile payments.
- Monitor stock levels of coffee beans, milk, and consumables, coordinating timely reordering with supervisors.
- Build rapport with regular customers, contributing to strong repeat business and positive customer feedback.
- Trusted to independently handle closing shifts end-of-day cash reconciliation, equipment shutdown/cleaning, and securing the store.

Barista — Grind Cafe

Feb 2024 – Nov 2025

Colombo, Sri Lanka

- Prepared a wide variety of espresso-based and filter coffee beverages, consistently earning praise from customers, including reviews citing it as "the best coffee" in the city.
- Delivered friendly, efficient table and counter service in a fast-paced neighbourhood coffee shop.
- Maintained cleanliness and organisation of the coffee bar, seating area, and equipment throughout each shift.
- Managed daily cash handling and point-of-sale operations with a strong record of accuracy.
- Regularly entrusted with closing shift duties, including register close-out, deep-cleaning equipment, and locking up the premises.
- Built foundational barista skills in espresso extraction, milk texturing, and customer engagement over nearly two years, laying the groundwork for further specialty coffee roles abroad.
