- POS Systems & Cash Reconciliation
- Opening & Closing Shift Management
- Customer Service & Specialty Hospitality
- Food Safety & Hygiene Standards (HACCP)
- Inventory Audit & Stock Management
- Multitasking & Speed Under Pressure
- Coffee Grinder Calibration & Maintenance

PROFESSIONAL EXPERIENCE

Barista — F-Mart Boutique Supermarket

Jan 2026 – Present

Pearl-Qatar, Porto Arabia, Doha, Qatar

- Prepare and serve a full range of hot and cold espresso-based beverages to a diverse, upscale clientele at a busy in-store coffee counter.
- Maintain consistent drink quality, taste balance, and latte art presentation while efficiently managing high customer footfall during peak retail hours.
- Operate, calibrate, and daily deep-clean commercial espresso machines, grinders, and brewing equipment in compliance with HACCP food safety standards.
- Accurately handle point-of-sale (POS) cash, credit card, and mobile wallet transactions.
- Monitor inventory levels of specialty coffee beans, dairy/non-dairy milk, and cafe consumables, coordinating timely reorders.
- Trusted to independently execute closing shifts — end-of-day register balancing, equipment shutdown, sanitation, and store security.

Barista — Grind

Feb 2024 – Nov 2025

Colombo, Sri Lanka

- Prepared a wide variety of espresso-based and filter coffee beverages, earning consistent customer praise and reviews citing "the best coffee" in the city.
- Delivered warm, attentive table and counter service in a vibrant neighbourhood specialty coffee shop.
- Maintained flawless cleanliness and organization across the coffee bar, guest seating areas, and brewing stations throughout each shift.
- Managed daily cash handling and point-of-sale register operations with exemplary accuracy.
- Regularly entrusted with closing shift responsibilities, including register close-out, deep-cleaning equipment, and locking up the premises.
